

Two Sisters: Martha and Mary

Thursday Morning Bible Study

September 3 –24, 2015

Time: 10:00 - 11:00 am

We will explore the gospel passages in which Martha and Mary appear in order to discover the role these women played in the early church. We will examine Jesus' interaction with them and their relationship with their brother Lazarus. Questions we will ponder: Are the different types of people in this story still present in the world? How is the story relevant to modern life, especially our own?
