

2016 Souper Bowl of Caring

Sunday, February 7, 2016

UMCM Youth are joining American teens across the nation in transforming Super Bowl Sunday into the nation's largest youth-led day of giving – “Souper Bowl of Caring!” Our UMCM youth are striving to make a difference in the very big problem of world hunger.

There will be lots of excitement on game day with our youth serving up a soup luncheon in place of coffee hour and we hope you can help us! Mark your calendars and bring cans of soup and your cash or check donations. Look for us outside the sanctuary and at the lunch ... we'll have our soup pots ready for your donation!

100% of our donations will benefit Monroe Food Pantry and Kings Pantry in Bridgeport. Our goal is \$500 – but more is better! Please make checks payable to *UMCM* with “Souper Bowl” in the memo section.

** Please bring 2 cans of soup (at least one should be clear chicken broth-based or beef broth-based). We'll use one can of soup for lunch and the second can will be donated to the Monroe Food Pantry. **

Join in for some wonderful fellowship and a great cause – you'll have plenty of time to get home for the big game!
