# Shine For Jesus! Craft Instructions

Craft to Teach "Let Your Light Shine for Jesus"

God's Word tells us that those who follow Jesus are like lights in a dark world. Jesus said we should let our lights shine. Why? Read Matthew 5:16 from a child-friendly Bible. "Let your light shine before men that they may see your good deeds and praise your Father in heaven." Matthew 5:16

Make this craft to remember how important your light is in the world.

You'll need a sheet of black construction paper, a push pin, paper clips, a white crayon or chalk, and a copy of the pattern (see separate attachment or find it here…

Place the pattern on top of the black paper. Use paper clips to hold it in place. Using a push pin, punch holes through both layers of paper on the black dots. (Laying the papers on a soft surface, such as a carpet or layers of newspaper, will make this easier.)

Using the white crayon or chalk, write a message on the black paper (sample messages: "I will shine for Jesus!" or "Let my light shine!" or "This little light shines for Jesus!" or other message of your choice).

Then hang the paper in a window or another place that gets plenty of light to shine through and Enjoy!
