“PRAY”

It's Our Time to Pray

November 12 - 18, 2017

3 times a day

Join Bishop Thomas J. Bickerton as he leads the New York Annual Conference in connection with the General Conference of the United Methodist Churches for one week of prayers for the Conference Discernment on “The Way Forward.”

Prayer changes things and moves God to a favorable outcome.

If my people, my God-defined people, respond by humbling themselves, praying, seeking my presence, I'll be there ready for you: I will listen from heaven. (2 Chron. 7:14-15, Message Bible).
