

---

## Craft one: “Jelly Bean Mosaic”

---

### You will need:

- Scissors
- Construction paper (any color)
- Markers or decorating materials
- Glue or tape
- Stencils (optional)
- Paper Plates (optional)
- Jelly beans
- Pipe cleaner or string (optional)

### Procedure:

1. Select a paper, cardstock, or paper plate as a base.
2. Use a stencil or free hand to draw an outline of desired image (cross, butterfly, heart, etc.). Color, if desired.
3. Attach additional decorations and/or verses or captions.
4. Spread glue on the shape, a section at a time. Attach jelly beans to the glue in varied colors. Allow to dry thoroughly.
5. Add a string or pipe cleaner if desired, to hang.

---

## Craft Two: “Butterfly Resurrection”

---

### You will need:

- Construction Paper or tissue paper
- Glue, tape, or staples
- Google eyes or pom-poms (optional)
- Scissors
- Pipe cleaners or string
- Coffee filters or cupcake liners
- Paper bags
- Toilet paper or paper towel rolls

### Procedure:

1. Decorate your tube (toilet paper or paper towel) like a caterpillar, attaching a “face” and legs, if desired. Use curled pipe cleaners for antennae.
2. Decorate the paper bag like a chrysalis, adding stickers and verses or captions.
3. Use coffee filters, cupcake liners, or accordion-folded paper to create “wings.”
4. Attach wings to caterpillar body to create a butterfly.
5. If schedule and audience allow, place the caterpillar into the chrysalis, and “transform” into butterflies on the sly. Alternatively, allow students to turn their own caterpillars into butterflies. Emphasize the resurrection element in play.
