For the Common Good: Discovering and Using Your Spiritual Gifts

This course offers a scriptural understanding of spiritual gifts as always given "for the common good." By helping participants identify and link their gifts, abilities and sense of calling, laity will learn the powerful connection between spiritual gifts and vocational discernment in the context of the mission of their local church. They will also learn how to make spiritual gifts discernment a part of their congregation's culture and commitment to equip mission-focused leaders who make disciples of Jesus Christ for the transformation of the world.

This class will be held on Zoom. You will receive the Zoom invitation after your registration is received and processed.
