# Our Programs at the Hub

**Training Program** -A training program of up to 18 months available to qualified members to begin the healing process and transition to part-time employment.

**Job Placement** - When members are ready to transition to employment, they can join second chance employment partners, start their own businesses, or work for Home Bridge.

## Our Core Values

Whole person healing • Unconditional love • Radical kinship

## Making Transformation Possible Together

*October 2024 – September 2025*

In October 2024, HBV launched full-time programming and secured financial support for 10 full-time members.

### HBV Achievements to Date:

**Average Daily Attendance:** 25 members

**Groups Held:** 778 sessions

**Average Group Size:** 12 participants

**Educational Classes Attended:** 8,988

**Full-Time Members Supported:** 27

### HBV Positive Outcomes:

Only 7% reincarcerated

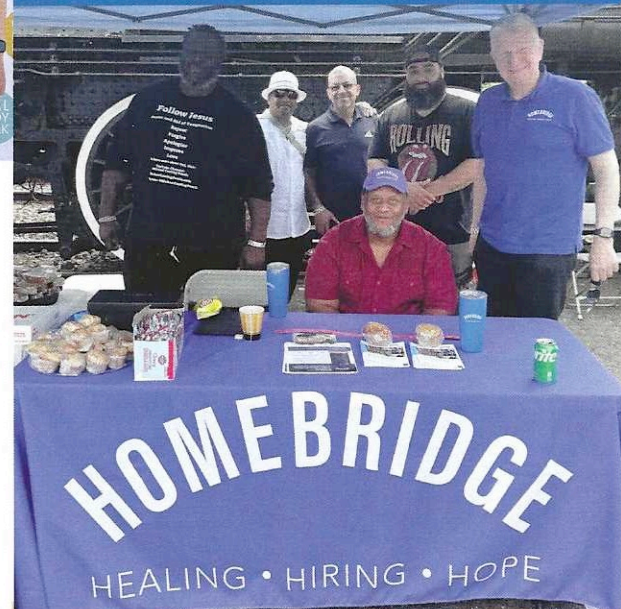

16 secured employment

This progress reflects both the consistency of member engagement and the effectiveness of our programming in supporting stability, growth, and opportunity.

## Our Mission

HomeBridge Ventures (HBV) seeks to break the cycle of recidivism through transformative relationships, trauma-responsive job training and placement, and a supportive community of justice-involved people that leads to the opportunity to heal and to obtain gainful employment.
