

Monroe/Trumbull CT Binky Patrol

Who? Binky Patrol is a national non-profit organization that was created to collect and deliver handmade blankets or binkies for critically ill or traumatized kids. The Monroe/Trumbull chapter was founded in 2014, and since then we have distributed over 28,000 binkies.

What we do: Volunteers make and donate blankets that are delivered to kids who are hurting, sad or scared, whether they are in hospitals, shelters, schools or at home. Scout groups, church groups, sports teams, individual families, and individuals are encouraged to help.

How you can help: Please help by making baby and child sized quilted, knit, crochet, or fleece tie blankets.
